DIVERSITY SUMMIT SCHEDULE

The upcoming Diversity Site Solutions Summit will feature critical content and direction for clinical research sites as regulatory and sponsor directives require more mandatory inclusion of diverse populations in trials.

Breaking information and guidance from experts will include:

-  How the clinical research industry is defining diversity
-  Insights and best practices for diverse patient enrollment
-  Benchmarking from the SCRS Diversity Site Assessment Tool (DSAT)
-  Exploring patient voices, approaches and understanding
-  Discussion around removing fear and mistrust of clinical research for everyone
